

Shopping List for I-Command™ DIGITAL Instrument System

Used on typical 17-22 ft. boat powered by a single E-TEC 115 thru 250hp

I-Command Digital Basic

Quan	PN	Description
1	763507	Tachometer 3"
1	763672	Fuel level sensor – per tank
1	763684	Network adapter
1	763541	15 ft. EMM Harness*
1	763363	Terminator
1	763538	Power hub
1	763472	Terminator Harness
1	763361	10ft. Network Power Cable*
1	763556	15 ft. data harness*
1	763544	Ign & trim harness, 20 ft*

The I-Command Digital, BASIC system provides the following information:

Displayed in Tachometer - 12 functions: RPM, instant fuel flow, engine temp, engine hours, engine load, trim position, battery volts, alternator volts, barometric pressure, engine status, fuel tank level, fuel remaining.

Black Bezel

I-Command Digital Deluxe

Quan	PN	Description
2	763507	Tachometer 3"
1	763672	Fuel level sensor – Per tank
1	763684	Network adapter
1	763541	15 ft. EMM Harness*
2	763363	Terminator
1	763538	Power hub
1	763539	Consolidator
1	763361	10ft Network Power Cable*
1	763556	15 ft. data harness*
1	763527	GPS Antenna
1	763509	6ft GPS extension cable
1	763544	Ign & trim harness, 20 ft*

The I-Command Digital, DELUXE system provides the following information:

Displayed in Tachometer Speedometer assy - 17 functions: RPM, instant fuel flow, engine temp, engine hours, engine load, trim position, battery volts, alternator volts, barometric pressure, engine status, fuel tank level, fuel remaining **PLUS**, GPS speed, avg economy, fuel range, Longitude and Latitude position.

Black Bezel

I-Command Digital Ultimate

Quan	PN	Description
2	763507	Tachometer 3"
1	763672	Fuel level sensor – Per tank
1	763684	Network adapter
1	763541	15 ft. EMM Harness*
2	763363	Terminator
1	763538	Power hub
1	763539	Consolidator
1	763361	10ft Network Power Cable*
1	763556	15 ft. data harness*
1	5006214	Water Pressure Sensor
1	763527	GPS Antenna
1	763509	6ft GPS extension cable
1	763XXX	Oil tank level sensor kits. Refer to catalog for part no.
1	763440	Triducer – depth, temp, speed
1	763544	Ign & trim harness, 20 ft*

The I-Command Digital, ULTIMATE system provides the following information:

Displayed in Tachometer Speedometer assy - 21 functions: RPM, instant fuel flow, engine temp, engine hours, engine load, trim position, battery volts, alternator volts, barometric pressure, engine status, fuel tank level, fuel remaining **PLUS**, GPS speed, avg economy, fuel range, Longitude and Latitude position, **PLUS** - engine water pressure, oil tank level %, water depth, seawater temp, and paddlewheel speed.

Note* Chrome bezels, 2 " gauges and alternate harness lengths are available. See options list.

Complete details for all I-Command Instrument systems including multiple engine applications will be found in the Installation guide pn 352679.
